The Village of Brookfield, Illinois Code of Ordinances -Chapter 44 - Section IV

Sec. 44-138. - Applicability.

The restrictions imposed herein shall apply to all dumpsters, storage containers, or any similar obstruction placed on any public street, public sidewalk, or public alley at any time, or moved across public right-of-way for placement on private property. Dumpsters exceeding 20 yards are strictly prohibited. Freight containers are strictly prohibited.

(Ord. No. 2007-73, § 1(6-81(1)), 8-13-2007)

Sec. 44-139. - Registration required.

All persons, companies, corporations, or entities providing any dumpster or storage container in the village must complete a registration form and pay an initial registration fee as required by this Code.

(Ord. No. 2007-73, § 1(6-81(2)a), 8-13-2007)

Sec. 44-140. - Contractor's license required.

All persons, companies, corporations, or entities providing any dumpster or storage container in the village must obtain a contractor's license with the village and renew the license each year to continue to deliver dumpsters or containers in the village.

(Ord. No. 2007-73, § 1(6-81(2)b), 8-13-2007)

Sec. 44-141. - Permit required; fee.

(a) A container permit, valid for ten days and renewable, is required for all such obstructions, whether placed on public or private property. The permit must be obtained by the owner or authorized agent of the owner of the property where the dumpster or container will be placed.

(b) The permit fee must be paid in accordance with the village fee schedule.

(c) A signed hold harmless agreement must be submitted prior to dumpster/container permit issuance.

(d) The service providing the container or dumpster must have a current contractor's license with the village in order to issue a dumpster or container permit.

(e) A container permit is not required for any construction projects having dumpster use approved by the village board of trustees as a part of final planned development approval.

(Ord. No. 2007-73, § 1(6-81(3)), 8-13-2007)

Sec. 44-142. - Location and placement.

(a) All containers must be located on private property. The placement of containers on public alleys or parkway is strictly prohibited. Where it is not possible to place a dumpster on private property, a maximum 20-yard dumpster may be placed in the street in accordance with the provisions of this article. Storage units or other containers are prohibited from obstructing any portion of the public way.

(b) No such obstruction shall be allowed to be placed in any manner so as to block any public street, sidewalk, or alley for use by vehicles, pedestrians, or bicycles. No such obstruction shall be allowed to be placed within 15 feet from the corner of any street or alley.

(c) When a dumpster will be located in a street where there is parking on the opposite side of the street, it is the responsibility of the permit applicant to provide flashing barricades in street parking areas on the side opposite to where the dumpster will be placed, to ensure adequate space for vehicular passage.

(d) It is the responsibility of the permit applicant to ensure that the placement of the obstruction does not interfere with snow removal, street cleaning, or capital improvements.

(Ord. No. 2007-73, § 1(6-81(4)), 8-13-2007)

Sec. 44-143. - Care of public right-of-way.

(a) The owner or authorized agent of any property obstructing public way with a dumpster or container must place a flashing barricade, obtained by the owner, on either side of the obstruction.

(b) Any container traversing the public parkway must have padding, plywood, or a like material placed under the unit to prevent damage to or depressions in the public way.

(c) The container permit applicant is responsible for any damage to the public right-of-way. The applicant will be notified of the cost of repair, based on the current cost assessed by the department of public works. Failure to pay the fine within 30 days will result in a \$750.00 fine.

(Ord. No. 2007-73, § 1(6-81(5)), 8-13-2007 Secs. 44-144—44-169. - Reserved.
